manojparthiban02@gmail.com

 <https://www.linkedin.com/in/manoj-parthiban-1736762b8/>

## Education

B.Sc. Artificial Intelligence  
& Machine Learning  
Bharathidasan University |  
2023 – 2025 | CGPA: 8.4/10

## STRENGTHS

- ✓ Quick Learner
- ✓ Strong Debugging
- ✓ Team Player
- ✓ Creative Thinker

## TECHNICAL SKILLS

Languages: Python, C++, JavaScript

Web: Flask, HTML, CSS, Bootstrap

Database: SQLite, MySQL, NOSQL

Tools: Git, VS Code, Jupyter lab, Canva

AI/ML: scikit-learn, OpenCV, NumPy,  
Pandas

## Language

English

Tamil

Sanskrit Basic

## CAREER OBJECTIVE

Passionate and detail-oriented B.Sc. AI & ML graduate seeking an entry-level position as a Software Developer to leverage strong problem-solving skills and a solid foundation in Python, Flask, and AI/ML technologies to contribute to innovative software projects.

## INTERNSHIPS

Python Development Internship  
in Data Manipulation and  
Machine Learning At SwaaS  
sysytem private limited

May 2024 - June 2024

Data Science & Machine learning  
Using R language and python at  
Prag robotics Associated with  
AICTE

July 2024 - Sep 2024

## PROJECTS

Online face Attendances system for offices/Hospitals  
using HTML,Css,Javascript for frontend and python with  
flask

## Certifications

- Python for Data Science, AI & Development from IBM
- Natural language processing using python offered by DeepLearning.ai
- Generative AI in Action from **IBM**
- Artificial Intelligence from **IBM**
